

5 YEARS POWERCODERS IMPACT

Impacting Lives by
Teaching Digital Skills

It all started with a coding bootcamp in 2017 that was launched with the goal of promoting equal opportunities for diverse talent in the IT industry. And within 5 years, so much has come out of it*:

WHAT

{ POWER.CODERS }

IS

a platform for cultural exchange

a business partner for Diversity & Inclusion

a great experience for volunteers

a community of change makers

through Futurecoders, a great opportunity for young refugees and migrants

a place to make friends for life

** Quotes from our partner companies, volunteers, foundations, donors and alumni.*

Thank you
for your contribution to our impact!
